Global Exhibition

TiNY®

Timy will join for exhibitions in at least 7 countries per year, go for at least 12 countries for business visit every year

DEVELOPMENT PROCESS

TIMY®

2000

Company founded and
started the sales of time
recorder

2006

Started developing
fingerprint
attendance machine

2012

Developed the first model
no-software-attendance
machine

2009

Developed color
screen series

2014

Developed
face
recognition
products

2016

Accelerated global
market expansion
And launched new
products

2018

Obtained the
national high-
tech enterprise
certificate

2019-2023

Developed AI Visible
Light and WDR Dynamic
Face Recognition
products

2024-2025

Develop multiple
application scenario
solutions based on AI
biometric technology

AUTHENTICATION CERTIFICATE

TIMY®

National high-tech
enterprise

ISO9001
certification

Patent

CE certification

ROSH certification

FCC certification
