About us

Guangdong Verto Technology Co., Ltd. is located in Zhaoqing City, Guangdong, China. The production base is 11,000 square meters and has nearly 500 employees. With an efficient production team, the monthly production capacity can reach 600000PCs cameras.

Verto focuses on the research and development, production and sales of consumer CCTV cameras. It has a complete and scientific quality management system and manufacturing system. After more than 8 years of continuous accumulation and development, now it has become a comprehensive security product manufacturing and service enterprise.

The Verto sales team has rich export experience and overseas experience. Product quality, customer service, and honest management are recognized by customers in the security field. Our products are mainly sold to Southeast Asia, the Middle East, Eastern Europe, Eurasia, Africa and other countries and regions.

Welcome your inquiries.
