

Why Choose Grupo Peram SAS?

Welcome to Grupo Peram SAS, your reliable partner in the food industry! We specialize in the production, marketing, and contract manufacturing of a wide range of consumer products, with a special focus on the categories of Sauces and Vinegars.

High Quality:

- Our products are made with the highest quality ingredients, guaranteeing a unique taste.
- Certified production processes and strict quality controls to offer consistent and reliable products.

Flexibility and Customization:

- We work with our clients to understand their specific needs and offer solutions that adapt to their requirements.
- Contract manufacturing capabilities to produce products under your brand, ensuring the consistency and quality you expect.

Variety of Options:

- From different types of sauces and vinegars, we offer a wide variety of products to satisfy the tastes and needs of consumers.
- We continuously develop new products and innovative flavors to stay ahead of market trends.

Commitment to Sustainability:

- We care about the environment and strive to reduce our environmental impact in the stages of our supply chain.
- We use sustainable production practices and eco-friendly packaging to contribute to reducing the carbon footprint.

What Can We Do for You?
